

VTE Dublin 2017

15th & 16th September 2017
Hogan Suite - Croke Park, Dublin

Diagnostic and Therapeutic Advances in Venous Thromboembolism

Friday 15th September

Session 1

Thromboprophylaxis

0900-0930

Thromboprophylaxis and the epidemiology of VTE

Dr Ander Cohen | Vascular Physician and Epidemiologist, Department of Haematological Medicine, Guys and St Thomas' NHS Foundation Trust, King's College, London, United Kingdom

0930-1000

Prevention and management of VTE in pregnancy

Prof Beverly Hunt | Professor of Thrombosis and Haemostasis, King's College London | Director, Haemostasis Research Unit, Guy's and St Thomas's Hospital, London

1000-1020

Panel discussion

1020-1040

Coffee

Session 2

Superficial vein and calf vein thrombosis

1040-1110

Superficial vein thrombosis, to treat or not to treat

Prof Jan Beyer Westendorf | Head of Division "Thrombosis Research", Medical Clinic III, Dresden University Clinic

1110-11:40

Management of Distal DVT

Speaker TBC

Session 3

Bleeding risk in VTE patients

1210-1240

Evaluating anticoagulant-associated bleeding risk in the emergency department

Dr Kerstin Hogg | Assistant Professor, Division of Emergency Medicine, Department of Medicine, McMaster University, Hamilton, Ontario, Canada
Emergency Medicine and Thrombosis Physician, Hamilton Health Sciences

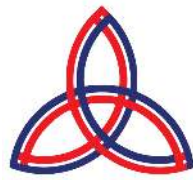

1240-1400

Lunch

+353 1 803 4383

VTE Dublin 2017

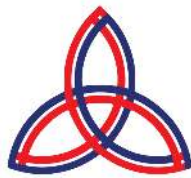

15th & 16th September 2017
Hogan Suite - Croke Park, Dublin
Diagnostic and Therapeutic Advances in Venous Thromboembolism

<i>Session 4</i>	Multidisciplinary care of PE
1400-1430	<i>Emergency Department Management of PE part 1: Outpatient Management of low risk PE</i> Prof Jeff Kline Professor of Emergency Medicine and Physiology. Vice Chair, Research, Indiana University.
1430-1500	<i>Evidence-based impact of the pulmonary embolism response team on patient care</i> Dr Rachel Rosovsky Hematology Lead, Pulmonary Embolism Response Team (PERT) Consortium, Dept of Medicine, Massachusetts General Hospital. and Harvard Medical School, Boston.
1500-1520	<i>Emergency Department Management of PE part 2. Management of High risk PE in the ED</i> Prof Jeff Kline Professor of Emergency Medicine and Physiology. Vice Chair, Research, Indiana University.
1520-1540	Coffee
<i>Session 5</i>	Diagnostic and therapeutic advances
1540-1600	<i>How to minimize CT scanning for PE in the Emergency Department</i> Prof Clive Kearon Clinician Investigator Program; Jack Hirsh Professor in Thromboembolism; Department of Medicine, McMaster University; Hamilton, Ontario, Canada
1600-1630	<i>Challenges and Controversies in Pulmonary Embolism Imaging</i> Dr Peter MacMahon Consultant Radiologist, Mater Misericordiae University Hospital, Dublin and Assistant Professor, University College Dublin
1630-1700	<i>Diagnosis of pulmonary embolism in pregnancy: ARTEMIS randomized controlled trial</i> Prof Menno Huismann Internist in Vascular Medicine, Department of Thrombosis and Haemostasis Leiden University Medical Centre, Leiden, the Netherlands
1715-1800	Croke Park Skyline Tour
1800-1900	Drinks Reception

VTE Dublin 2017

15th & 16th September 2017
Hogan Suite - Croke Park, Dublin
Diagnostic and Therapeutic Advances in Venous Thromboembolism

Saturday 16th September

Session 1

DVT thrombolysis and Duration of Treatment

0930-0950

Duration of anticoagulation for venous thromboembolism

Prof Clive Kearon | Clinician Investigator Program; Jack Hirsh Professor in Thromboembolism; Department of Medicine, McMaster University; Hamilton, Ontario, Canada

0950-1020

Management of anticoagulant-associated bleeding in the emergency dept

Dr Kirsten Hogg | Assistant Professor, Division of Emergency Medicine, Department of Medicine, McMaster University, Hamilton, Ontario, Canada
Emergency Medicine and Thrombosis Physician, Hamilton Health Sciences

1020-1040

Thrombolysis for leg DVT: after ATTRACT

Prof Clive Kearon

1040-1100

Direct Oral Anticoagulants in VTE care

Dr Kirsten Hogg

1100-1120

Coffee

Session 2

Special circumstances: Cancer and obesity

1120-1150

Cancer associated thrombosis

Prof Simon Noble | Clinical Reader in Palliative Medicine, Cardiff University and honorary consultant, Royal Gwent Hospital in Newport

1150-1220

Obesity and VTE

Prof Beverly Hunt | Professor of Thrombosis and Haemostasis, King's College London | Director, Haemostasis Research Unit, Guy's and St Thomas's Hospital, London

Session 3

The patient experience

1220-1245

Thrombosis Ireland

1245

Closing Address & Lunch

Registration Information

Early Bird Rate	Trainees*	Non-trainees
Available until Friday 21st July	€50	€75
From Saturday 22nd July	€75	€100

Register on VTEdublin.org

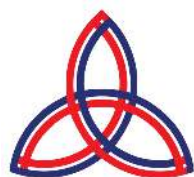

*includes Doctors in training, Nursing & Allied Health Professionals

Pre conference Point of Care Ultrasound Workshop

Prior to the main conference we will again be holding a 2 day ultrasound workshop. This will cover some of the core bedside ultrasound applications in VTE, including DVT scanning, echocardiography and lung ultrasound.

Further details, including costs to follow.
