

VTE Dublin 2017

15th & 16th September 2017
Hogan Suite - Croke Park, Dublin

Diagnostic and Therapeutic Advances in Venous Thromboembolism

Friday 15th September

Opening Address: Gordon Dunne, Chief Executive, Mater Misericordiae University Hospital

Session 1

VTE: Thromboprophylaxis & Pregnancy

Chairs: Dr Susan O'Shea, Cork University Hospital | Professor Mike Watts, University Hospital Limerick

0900-0925

Thromboprophylaxis and the epidemiology of VTE

Dr Ander Cohen | Vascular Physician and Epidemiologist, Department of Haematological Medicine, Guys and St Thomas' NHS Foundation Trust, King's College, London, United Kingdom

0925-0950

Prevention and management of VTE in pregnancy

Prof Beverley Hunt | Professor of Thrombosis and Haemostasis, King's College London | Director, Haemostasis Research Unit, Guy's and St Thomas's Hospital, London

0950-1015

Diagnosis of pulmonary embolism in pregnancy: ARTEMIS randomized controlled trial

Prof Menno Huisman | Internist in Vascular Medicine, Department of Thrombosis and Haemostasis | Leiden University Medical Centre, Leiden, the Netherlands

1015-1025

Panel discussion

1025-1045

Coffee

Session 2

Superficial vein and calf vein thrombosis

Chairs: Dr Claire Andrews, Mater Misericordiae University Hospital | Professor Leo Lawler, Mater Misericordiae University Hospital

1045-1110

Superficial vein thrombosis, to treat or not to treat

Prof Jan Beyer Westendorf | Head of Division "Thrombosis Research", Medical Clinic III, Dresden University Clinic

1110-1140

Evidence update of calf vein DVT and patients with limb immobilisation

Dr Dan Horner | Emergency Physician & Intensivist | Salford Royal NHS Foundation Trust, UK

1140-1150

Panel Discussion

Session 3

Bleeding risk in VTE patients

Chairs: Dr Peter MacMahon, Mater Misericordiae University Hospital | Dr Jeremy Sargent, Drogheda Hospital

1150-1220

Evaluating anticoagulant-associated bleeding risk in the emergency department

Dr Kerstin Hogg | Assistant Professor, Division of Emergency Medicine, Department of Medicine, McMaster University, Hamilton, Ontario, Canada
Emergency Medicine and Thrombosis Physician, Hamilton Health Sciences

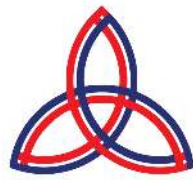

1220-1330

Lunch

VTE Dublin 2017

Session 4

Multidisciplinary care of PE

Chairs: Dr Geraldine McMahon, St James Hospital | Dr Kevin Ryan, St James Hospital

1330-1355

Emergency Department Management of PE part 1: Outpatient Management of low risk PE
Prof Jeff Kline | Professor of Emergency Medicine and Physiology. Vice Chair, Research, Indiana University.

1355-1420

Evidence-based impact of the pulmonary embolism response team on patient care
Dr Rachel Rosovsky | Hematology Lead, Pulmonary Embolism Response Team (PERT) Consortium, Dept of Medicine, Massachusetts General Hospital. and Harvard Medical School, Boston.

1420-1445

Emergency Department Management of PE part 2. Management of High risk PE in the ED
Prof Jeff Kline | Professor of Emergency Medicine and Physiology. Vice Chair, Research, Indiana University.

1445-1500

Panel Discussion

1500-1530

Coffee

Session 5

Diagnostic and therapeutic advances

Chairs: Dr Niamh O'Connell, St James Hospital | Dr Dr Dermot O'Callaghan, Mater Misericordiae University Hospital

1530-1555

How to minimize CT scanning for PE in the Emergency Department
Prof Clive Kearon | Clinician Investigator Program; Jack Hirsh Professor in Thromboembolism; Department of Medicine, McMaster University; Hamilton, Ontario, Canada

1555-1620

Challenges and Controversies in Pulmonary Embolism Imaging
Dr Peter MacMahon | Consultant Radiologist, Mater Misericordiae University Hospital, Dublin and Assistant Professor, University College Dublin

1620-1645

Point of Care Ultrasound in VTE: A Tool in Your Toolbox
Dr Mike Prats Assistant Professor, Ultrasound Core Faculty, Ohio State University

1715-1800

Croke Park Skyline Tour

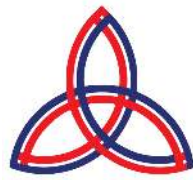

1800-1900

Drinks Reception

VTE Dublin 2017

Saturday 16th September

Session 1

Special circumstances: Cancer, Obesity & Pregnancy

Chairs: Professor Sean Gaine, Mater Misericordiae University Hospital | Dr Fionnuala Ni Ainle, Mater Misericordiae University Hospital

0930-0955

Obesity and VTE

Prof Beverley Hunt | Professor of Thrombosis and Haemostasis, King's College London | Director, Haemostasis Research Unit, Guy's and St Thomas's Hospital, London

0955-1020

Cancer associated thrombosis

Prof Simon Noble | Clinical Reader in Palliative Medicine, Cardiff University and honorary consultant, Royal Gwent Hospital in Newport

1020-1035

Low-molecular-weight heparin to prevent recurrent VTE in pregnancy; a randomized controlled trial of two doses: the Highlow Study

Dr Ingrid Bistervels, Clinical Research Fellow, Academic Medical Centre, Amsterdam, the Netherlands

1035-1045

Panel Discussion

1045-1100

Coffee

Session 2

DVT thrombolysis and Duration of Treatment

Chairs: Dr Gerard Crotty, Midland Regional Hospital Tullamore | Dr Deirdre Glynn, Mater Misericordiae University Hospital

1100-1120

Duration of anticoagulation for venous thromboembolism

Prof Clive Kearon | Clinician Investigator Program; Jack Hirsh Professor in Thromboembolism; Department of Medicine, McMaster University; Hamilton, Ontario, Canada

1120-1140

Management of anticoagulant-associated bleeding in the emergency dept

Dr Kerstin Hogg | Assistant Professor, Division of Emergency Medicine, Department of Medicine, McMaster University, Hamilton, Ontario, Canada
Emergency Medicine and Thrombosis Physician, Hamilton Health Sciences

1140-1200

Thrombolysis for leg DVT: after ATTRACT

Prof Clive Kearon

1200-1220

Direct Oral Anticoagulants in VTE care

Dr Kerstin Hogg

1220-1230

Panel Discussion

Session 3

The patient experience

Chair: Dr Dennis O' Keefe, University Hospital Limerick

1230-1255

Thrombosis Ireland

1245

Closing Address: Mary Day, Chief Executive, Ireland East Hospital Group

+353 1 803 4383

Registration Information

Early Bird Rate	Trainees*	Non-trainees
Available until Friday 21st July	€50	€75
From Saturday 22nd July	€75	€100

Register on VTEdublin.org

*includes Doctors in training, Nursing & Allied Health Professionals

Approved for 9 CPD credits by RCSI

Pre conference Point of Care Ultrasound Workshop

Prior to the main conference we will again be holding a 2 day ultrasound workshop. This will cover some of the core bedside ultrasound applications in VTE, including DVT scanning, echocardiography and lung ultrasound.

Wednesday 13th	DVT & Lung	€50
Thursday 14th	Cardiac	€50

Each day approved for 5 CPD credits by RCSI
