

VTE Dublin 2018

12th-14th September 2018
Hogan Suite - Croke Park, Dublin

Wednesday 12th September

Point of Care Ultrasound Workshop

Co-ordinated by Tomás Breslin | Consultant in Emergency Medicine | Mater Misericordiae University Hospital

Workshops comprise 10 ultrasounds station with medical students modelling as patients at each station with 4 candidates per station.

You will spend the vast majority of time scanning

Thursday 13th September

0900-1200

Parallel Sessions

VTE Issues in General Practice

Co-ordinator:

Dr Austin O' Carroll,
MICGP, D Health, FRCPI
(Hon)

Nursing issues in VTE

Co-ordinator:

Ms Sarah Garvey
Advanced Nurse
Practitioner
Emergency Medicine
Beaumont Hospital

The patient experience

Co-ordinator:

Ms Annemarie O'Neill,
Thrombosis Ireland

Clinical laboratory issues in diagnosis of VTE and anticoagulation

Co-ordinator:

Mr Paul Carlyle, Medical
Laboratory Scientist,
Coombe Women &
Infants University
Hospital
Ms Irene Regan, Chief
Medical Scientist, Our
Lady's Children's
Hospital, Crumlin and
President, Academy of
Clinical Science &
Laboratory Medicine

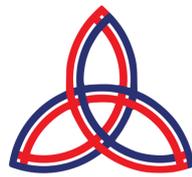

1200-1300

Lunch

+353 1 803 4383

VTE Dublin 2018

Opening Address:

Prof Yvonne O' Meara, Consultant Nephrologist MMUH and Professor of Medicine UCD

Session 1

1300-1530

VTE risk assessment, prevention and treatment in Ireland: Clinical progress and scientific update

Chairs: TBC

VTE risk assessment and thromboprophylaxis: a state of the art review of current scientific progress

Dr Niamh O'Connell | Consultant Haematologist | National Coagulation Centre | St James's Hospital | Dublin

VTE Ireland: update on progress and next steps

Dr Susan O'Shea | Chair, VTE Ireland and Consultant Haematologist | Cork University Hospital

Advocating for excellent VTE prevention and care: lessons from the UK

Prof Beverley Hunt | Professor of Thrombosis and Haemostasis, King's College London | Director | Haemostasis Research Unit | Guy's and St Thomas's Hospital | London

Thrombophilia and pregnancy complications: What is the role of low-molecular-weight heparin?

Dr Leslie Skeith | Division of Hematology | Department of Medicine | University of Ottawa | Ottawa | Canada | CanVECTOR Research Network

Update Low-molecular-weight heparin to prevent recurrent VTE in pregnancy; a randomized controlled trial of two doses: the Highlow Study

Dr Ingrid Bistervels | Clinical Research Fellow | Academic Medical Centre | Amsterdam | Netherlands

Panel Discussion

1530-1600

Coffee

Session 2

1600-1800

Pulmonary Embolism: current clinical and scientific challenges

Chairs: TBC

Pulmonary embolism following vascular surgery: evidence-based review of risk factors and biomarkers

Dr Mary Barry | Consultant Vascular Surgeon | St Vincent's University Hospital | Dublin

Chronic thromboembolic manifestations in the Pulmonary Circulation

Professor Sean Gaine | Consultant Respiratory Physician | Director, National Pulmonary Hypertension Unit | MMUH | Dublin

Home Treatment of Pulmonary Thromboembolism – are we ready for it?

Prof Menno Huisman | Professor of Haemostasis and Thrombosis | Leiden University | Netherlands

Post-PE sequelae

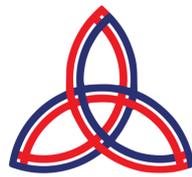

Dr Mareike Langheia | Division of Cardiology | Charité Universitätsmedizin Berlin | Germany and Johannes Gutenberg University Mainz

Panel Discussion

+353 1 803 4383

VTE Dublin 2018

Friday 14th September

Opening Address:
Mr Gordon Dunne, CEO MMUH

Session 1

0900-1145

Venous thromboembolism in the setting of lower limb immobilization

Chairs: TBC

Thromboprophylaxis after Knee Arthroscopy and Lower-Leg Casting

Prof. Suzanne Cannegieter | Department of Clinical Epidemiology | Leiden University Medical Centre | Leiden | the Netherlands

VTE risk assessment after lower-limb immobilization: Current and ongoing clinical and translational research

Prof. Dan Horner | Professor of the Royal College of Emergency Medicine | Consultant in Emergency and Intensive Care Medicine at Salford Royal NHS Foundation Trust | UK

VTE Prevention following lower limb immobilization

Mr Jonathan Keenan | Consultant Orthopaedic and Trauma Surgeon | Dept of Surgery | University Hospitals Plymouth NHS Trust

Coffee

A Prospective multicentre study to assess risk factors for (T) thrombosis in patients with (L) lower (L) limb (I) injuries (R) requiring (I) immobilisation (TiLLIRI)

Dr Denis O'Keefe, Consultant Haematologist, University Hospital Limerick and TiLLIRI lead, Irish VTE (InViTE) Clinical Research Network

Panel discussion

Session 2

1145-1300

Challenges and special circumstances in diagnosis and management of VTE

Chairs: TBC

Evidence-based impact of the pulmonary embolism response team on patient care and translational prognostic biomarkers

Dr Rachel Rosovsky | Haematology Lead | Pulmonary Embolism Response Team (PERT) Consortium | Dept of Medicine | Massachusetts General Hospital. and Harvard Medical School | Boston

Anticoagulation in Renal Impairment

Dr Denise Sadlier Consultant Nephrologist & Professor in Clinical Medicine

Diagnostic Management of Venous Thromboembolism – facts & challenges in 2018

Prof Menno Huisman | Professor of Haemostasis and Thrombosis | Leiden University | Netherlands

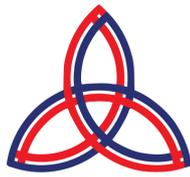

1300-1400

Lunch

+353 1 803 4383

VTE Dublin 2018

Friday 14th September

Session 3

1400-1530

Cancer-associated thrombosis (CAT)

Chairs: TBC

Patient experience (TBC)

Treatment of CAT: novel data from randomized trials and clinical implications

Dr Simon Noble | Clinical Senior Lecturer in Palliative Medicine at Cardiff University

CAT: epidemiology, biomarkers and molecular mechanisms

Dr Cihan Ay | Clinical Division of Hematology and Hemostaseology | Department of Medicine
Medical University of Vienna | Vienna, Austria

1530-1600

Coffee

Session 4

Novel developments in diagnosis and treatment of DVT

1600-1700

Chairs: TBC

The OPTImised Computed Tomography Pulmonary Angiography in Pregnancy Quality and Safety (OPTICA) Study

Dr Ciara Gillespie | Specialist Registrar in Radiology | OPTICA co-lead | InViTE

Debate 1:

Catheter directed lysis in PE

Debate 2:

There is a role for Point of Care Ultrasound (POCUS) in the diagnosis of DVT

Closing Address: Prof Mary Day, CEO, Ireland East Health Group
